CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Livestock Show Ready For Opening At B. G. Tuesday

The first South-East Florida Livestock Show will get under way Tuesday morning at ten o'clock and some orisocrats of the "Cow Kingdom" will be on exhibit for the benefit of those interested in developing this end of the state as a livestock producing area.

We will have some registered Jerseys, and Guernsey's, some blue blooded Brahman's and Herford's, Santa Gertrudis and Shorthorns. There will also be some very fine registered hogs and several fine high producing milk goats. Over each animal will be a card showing breed, weight and owner, so the visitors will be able to get full information when looking them over.

The new Mayo exhibit building will be open Tuesday night until 10 p. m. to accommodate those who cannot come during the day and the lights are good enough that you can get a good view of all animals in the show if you have to come at night.

Wednesday morning at 10:30 there will be a judging demonstration for the benefit of those who want to know why one animal is considered better than the others in his class, and at 3:30 p. m. an auction sale will be held and all owners will have the opportunity to sell beef animals they have exhibited if they care to sell. There will be no charges for admission, no rodeo and no side shows. This show is strictly educational and in the interest of more and better livestock for South-East Florida.

The exhibit building is on the grounds of the University of Florida Experiment Station at Belle Glade and visitors can have the opportunity of seeing the station on the same trip.

Auxiliary Post 90 Meet Tuesday

The American Legion Auxiliary, Post 90, at a meeting Tuesday night in the woman's clubhouse announced plans to take part in the joint installation ceremony for newly elected officers of Canal Point and Pahokee Legion Post.

The installation ceremony will be held in the Canal Point school auditorium Monday night, April 18.

Mrs. C. A. Canipe, Mrs. J. T. Boynton and Mrs. Carmen Salvatore, Jr., were appointed on a committee to contact the City Council concerning the sponsorship of the concession at the swimming pool when it is opened next month. The group voted to conduct a social meeting at the clubhouse on April 26.

Visitors were Mrs. Winera McCarty; Mrs. Lois Collier, Mrs. M. D. Conrath and Mrs. Peggy Murphy.

Members of the ninth grade at Pahokee High School and their faculty sponsors, Herbert Miller and Miss Graham, enjoyed a beach party at the Lake Worth Casino, Saturday.

Dr. and Mrs. R. R. Long and daughter, Sandra, visited friends in Orlando over the weekend.

W. E. Johnson Elected Commander Post 242

W. E. Johnson was recently elected commander of Canal Point American Legion Post 242. Other officers chosen for the coming year were Ben Rogers, first vice commander; Lester Hand, second vice commander; T. W. Griffith, finance officer; Charles Maxson, chaplain; Pete Hollon, historian; Earl Wilson, sergeant-at-arms, and Raymond Maxson, adjutant.

At a meeting of Post 242 in the Legion Hall Monday night plans were announced for a joint installation ceremony for the Pahokee Legion Post 90 and Canal Point Post 242 and their Auxiliaries to be held in the Canal Point school auditorium Monday, April 18, at 8 p. m. The Okeechobee Legion post and its auxiliary have also been invited to take part in the joint installation. Members of the Canal Point Legion Auxiliary will act as hostesses during the serving of refreshments.

Sunrise Services Sunday In Pahokee

The Easter Sun-Rise Service for the Communities of Canal Point and Pahokee will be held on the levee at the foot of Main Street in Pahokee. The people of this area are cordially invited to attend this service which is cooperative effort sponsored by the churches of the Glades under the direction of the Pastors of the churches. These pastors will assist in the service with the Rev. Hoke Shirley, pastor of the First Baptist Church bringing the message. Dr. Shirley comes to our community from Ft. Lauderdale where he was in wide demand as speaker on occasions of this nature. He was speaker last Easter for the Easter Sun-Rise Service at Ft. Lauderdale, sponsored by the churches of that area. People of varied religions will find inspiration and help in the Christian's answer to the future of life. Through the courtesy of the Prince Theatre their Sound Truck and public address system will be used during the service.

Silver Tea Planned For Rainbow Girls

Plans for a silver tea to be held at the home of Miss Delore Williams on Sunday, April 24, from 2:30 to 4:30 p. m., were made by the Pahokee Assembly of Rainbow Girls at a meeting in the Mazoni Hall Monday night.

Miss Loretta Wilson, worthy advisor, appointed Miss Williams to the office of color station and it was announced that she will be installed at the next meeting. Mrs. Mattie Lou Keen, mother advisor, reported that the group netted \$28.40 from a recent cake auction.

Mr. and Mrs. R. J. Schroder were visitors in Orlando Monday. They were accompanied by Mrs. Schroder's sister, Mrs. Charles McQuaig, Sr., and son who joined Mr. McQuaig to make their home in Orlando where he is now employed.

Mrs. Loretta Santee and her sister, Mrs. Dorothy Baker, both of West Palm Beach, visited friends here Tuesday.

Mrs. Horace Unwin Named President Pahokee P.T.-A.

Mrs. Horace Unwin was elected president of the Pahokee Parent-Teacher Association at the April meeting held Monday night in the high school auditorium.

Other new officers elected for the 1949-50 school year were Edward A. Jensen, first vice president; O. D. Carpenter, second vice president; C. A. Canipe, third vice president; Mrs. Norman Kennedy, secretary, and Mrs. R. F. Hurt, treasurer. Mrs. W. M. DuBose gave the report of the nominating committee. The installation of the new officers will take place on May 9 during the final PTA meeting of the current school year.

At the business session with Mrs. D. W. Cunningham, retiring president, presiding, acknowledgment was made of an \$80 donation to the school cafeteria free lunch fund for underprivileged children from the Everglades Branch of the National League of Wholesale Fresh Fruit and Vegetable Distributors. The monthly attendance awards were won by Mrs. Sus Shirley's first grade room at the elementary school and by the ninth grade at the high school.

On the program Bandmaster Robert O. Lampi presented his Pahokee High School Band in a concert which featured two inspection contest numbers and a special march dedicated to Henry Fillmore, noted composer of band music from Miami, who was originally scheduled to appear on Monday night's program as guest conductor but was unable to be present on account of poor health. Leiland Shirley, student conductor, directed the band in the playing of "Best Loved Irish Melodies." Billy Jernigan played a trombone solo and Steve Kirk, a bassoon solo, accompanied at the piano by Yvonne Fraser. Shirley, Jernigan and Kirk won first division ratings for individual performances at the recent district inspection contest.

At the conclusion of the concert Principal C. A. Canipe presented Mr. Lampi with a check, a gift from PTA in appreciation of his work with the band. Principal Canipe urged full support of the coming Community Chest drive which, if goals are reached, will provide funds for sending the Pahokee band to the State Music Contest and Festival at Jacksonville in May.

Following the program refreshments were served in the school cafeteria by Mrs. E. L. Pope, hospitality chairman, and her special hostess committee for April.

BROWNIE TROOPS HAVE EASTER EGG HUNT

The three Pahokee Brownie Troops met jointly at the home of Mrs. E. F. McIlwain on Bacon Point Road Wednesday afternoon for an Easter egg hunt and party. Games were enjoyed and refreshments were served to approximately 30 Brownies attending. Brownie troop leaders present were Mrs. T. S. Kirk, Mrs. V. L. Geiger, Mrs. H. L. Carter, Mrs. W. H. Rogers, Mrs. James H. Wilson, Mrs. S. Smith and Mrs. McIlwain.

Rev. Shirley Spoke To Pahokee Lions

Rev. H. H. Shirley, new pastor of the Pahokee First Baptist Church, gave a talk on "Fellowship" at the Tuesday luncheon meeting of the Pahokee Lions Club. The guest speaker was introduced by Emmett Holt, acting program chairman.

President Manning I. Keen instructed the club's nominating committee to report its recommendations for new officers at the next meeting. Marshall Lair, chairman, gave a report on the progress of the sale of tickets in the fund raising campaign for the benefit of the swimming pool which is to be opened to the public next month. Rev. C. T. Howes invited the Lions to attend the Easter Sunrise Service to be held at the Pahokee waterfront Sunday-morning under the sponsorship of Pahokee and Canal Point churches.

Plans Are Made For Community Chest Drive April 25-29

The Pahokee-Canal Point Community Chest Board of Directors are organizing for the Annual Drive that will be made during the week of April 25 through April 29. The funds they will collect will go to support the Girl Scouts, Boy Scouts, Dental Clinic, High School Band, Salvation Army, Crippled Children's Fund, and to the local Welfare Fund. In addition the funds collected will provide free school lunches for indigent children at both the Pahokee and Canal Point Schools.

During the year ending January 1 aid and relief was given to 161 needy persons and 38 families. Of these 69 were adults and 92 were children. The cost of furnishing groceries, medical help, clothing, etc. amounted to \$2290.00.

The budget for the coming year has been drastically cut, so it is with high hopes that members of the Community Chest will start their drive to raise the needed funds for the coming year.

COMMISSION MUST SPEND SOME MONEY IN N. FLORIDA

CHIPLEY—If the Florida State Advertising Commission wants North Florida legislators to back a \$500,000 appropriation it must spend some of its money in the promotion of North and West Florida beaches and resorts, were the terms laid down recently by State Senator Olin Shivers of Chipley. The senator, speaking before a local civic club, called attention to the increased tourist and recreation facilities available at Panama City, Pensacola and other points and warned that this fast-growing area is entitled to consideration from the Commission.

Mrs. H. L. Jaudon, former Pahokee resident now living in Wauchoila, sister-in-law of Mr. and Mrs. Wiley Tillis of Pahokee, is a patient at the Municipal Hospital in Tampa.

Mrs. I. J. Frasure, Jr., and daughter are spending two weeks with her parents, Mr. and Mrs. W. E. Metcalf, in Tampa.

Blue Devils To Play Benefit Game On Lair Field Friday

It will be Blue Devils facing Blue Devils at Lair Field Friday, April 22, at 8:15 when candidates for next season's varsity eleven line up against last season's grid stars to play a full four-quarter football game for the benefit of the swimming pool fund.

This contest, to be played under regular game conditions, should give local fans a good idea of what may be expected from the 1949 Blue Devil squad.

The price of admission will be \$1 for adults and 50 cents for students with all proceeds to go into the swimming pool fund as the school's contribution to this community project. Tickets will be sold at both gates by members of the Pahokee Lions Club. Inasmuch as the fence around the athletic field has been torn down for rebuilding, it is requested that entrance to the field be made only at the gates where contributions to a worthy project can be easily collected.

An additional feature to the evening of entertainment will be the colorful performance of the Pahokee High School Band on the field between halves.

Next season's Blue Devil backfield will have only one veteran, Jackie Thomas. The other backfield candidates, though green, are showing plenty of spirit in fighting for starting positions. They include Stanley Hooks, Eugene Miller, Billy Roberts, Bobby Peacock, Ralph Chaney and Alfred Meeks.

Candidates for next season's line are Charles Dickson, Ollis Weaver, Junior Holmes, Richard Tillis, Glen Boland, Russell Sims, Ronnie May, Steve Kirk, Bill Kirk, Billy Mosley, Tony Lively, Eugene Williams, Frank Brady, Jack Boland and Bobby Mackey.

Canal Point Lions Get New Member

H. Grady Boynton was welcomed as a new member of the Canal Point Lions Club at a meeting Monday night when President A. R. Harrington presiding. Mr. Boynton was instructed on the objectives and duties of a Lion by Manning I. Keen, president of the Pahokee Club, who was a visitor.

Membership certificates were presented to all club members at the meeting.

Community projects that can be sponsored by the club were discussed and suggestions of activities were assigned to the various standing committees for investigation and study. Several projects are already in the processing stage and it is the intention of the club to put these in action in the immediate future.

In addition to President Keen other visiting Lions from the Pahokee club included L. M. Lair, E. P. Holt and Gil Gabaldon.

Mr. and Mrs. Robert O. Lampi had as their guest over the weekend her brother, Bill Williamson, of Palm Harbor.

TOO LATE TO CLASSIFY

(By Russell Kay)

Those of us who enjoy the blessing of unimpaired sight have little knowledge of the strange dark world inhabited by the blind. Only those who have worked closely with the unfortunate who are thus afflicted are capable of grasping and understanding their particular problems.

Thanks to the harangue of petty politicians and propaganda of welfare workers and agencies we have come to think of the blind as a group of destitutes who are public charges. The commonly used expression "blind beggar" has helped materially in building up a false conception in the public mind and cause us to think of the blind as necessarily poverty-stricken.

The percentage of destitute blind is small compared to the number who are financially able to care for themselves, and this group seeks neither pity nor sympathy. They ask only independence and understanding. Thousands of them are gainfully employed, many financially well off. They want to lead as normal a life as possible.

Having worked with the blind for the greater part of his life, Dr. Louis J. Colman, former director for the State of Florida of the Prevention of Blindness Division

- Florida Council for the Blind, found that one of the greatest needs was the establishment of a resort that would cater to the blind, which would permit them to visit Florida as tourists or vacationists, with every facility provided for their comfort safety and convenience.

With this purpose in mind Dr. Colman, after considering numerous locations, chose the beautiful little city of New Port Richey, on the Gulf Coast. Here he has established the first resort of its kind. A club hotel that caters to the financially-able blinded where they may make their temporary or permanent home and enjoy all the comforts and conveniences offered by the most exclusive hotels, including all facilities exclusively and specifically adaptable to the blinded individual, the couple who are both blind or the couple in which one of the two is blind.

Known as the Chasco Inn Resort Club, Dr. Colman has completely modernized, renovated and redecorated a local hotel and announced its opening last week. It was my privilege to thoroughly inspect the property and discuss the project with the good doctor. Spotlessly clean, beautifully furnished and ideally located in the center of one of the most charming communities in Florida, it offers the visitor or permanent resident all that could be asked for in the way of modern accommodations.

Attractions include near-by fishing, boating, bathing, a recreation

and game room; a shaded lawn is available for short walks; rest or recreation. A complete hobby shop is at the disposal of guests whose hobbies might include wood work, rug making, pottery, leather work and the like, with competent instructors available.

A complete Braille library is at the disposal of the guests, including latest publications. A reader is also employed to care for the special needs of guests. The music room offers enjoyment of piano, phonograph or talking machine; and each guest room is equipped with an individual radio.

Guest charges, which are extremely moderate considering the many facilities offered, include day and night surveillance, three full meals each day with supper time snack and afternoon tea thrown in for good measure. Dancing and special entertainment programs, instruction in arts for the blind in the workshop, even the guests' laundry is taken care of as part of the unusual service provided. A station wagon is available to meet incoming or transport departing guests to the bus or railroad stations or airports in St. Petersburg, Tampa, Clearwater or Tarpon Springs.

Nothing has been overlooked and a special boarding kennel for seeing-eye dogs is operated as a special service to the blind who prefer to bring their dogs. Kennel, lodging and board are provided for dogs at moderate rates. Pens and runs have been provided and the dogs as paying guests receive the best of care and food.

The Chasco Inn Resort is the answer to the search of the financially able blinded for the leisurely comfort, sunshine and warmth of Florida's climate that is expressly fitted for the particular desires of

the blind.

Florida is fortunate and New Port Richey even more so, that this nationally eminent doctor has given this state the first resort of this kind ever to be established. As the facts concerning it become known it is bound to be given nationwide publicity and those who come to enjoy its advantage will long sing the praise of this thoughtful kindly doctor, his fortunate community and the state.

Anyone interested should write Dr. Louis J. Colman, Director, Chasco Inn Resort, P. O. Box 727, New Port Richey, Florida, for

rates and further information which will be promptly supplied.

Mrs. C. R. Wetherington, Jr., will return home this weekend from a two weeks' visit with her uncle and aunt, Mr. and Mrs. William Guthrie, in Miami.

D. W. Cunningham was called to Sumter, S. C. Wednesday by the illness of his mother, Mrs. Mary Cunningham, who is suffering from pneumonia at a hospital there.

Faith Brown Has Birthday Party

Mr. and Mrs. C. A. Brown entertained at their home Thursday evening of this week with a party honoring their daughter, Faith, who was celebrating her twelfth birthday anniversary.

Games were enjoyed and favors of Easter candy were presented to the guests including Joyce Lindsay, Joyce Hurt, Sandra Enfinger, Sandra Long, Judy Starling, Rose Marie Henderson, Fay Mackey, Marcia Joan Guthrie, Hazel Chaney, Phoebe Ann Ramey, Thelma Lowe, Myra Rae Hernon, Mabel Millon, Carolyn Hickerson, Donna Lynn May, Emma Hitchcock, Lynett Hammond, Dorothea Rushing, Gay Shoepel, Donna Gail Jensen, Jeannine Mock, Bubber Mock, Erma Jean McAfee, Olive Gonzales, Evelyn Prince, Frances Meeks, Sarah Summers, Linda Mills, Jon Pope, Allen Seegre, Jimmy Shoepel, Don Beverly, Tommy Elliott, Philip Dulany, Bobby Howell, Donald Waddell and Mr. and Mrs. W. M. D. Bose.

Steffen - Jensen

Miss Hilda Joan Steffen, daughter of Theodor Steffen of West Bend, Wisc., became the bride of Edward A. Jensen of Pahokee at a garden wedding held at the home of Mr. and Mrs. James W. Vann Friday, April 8, at 5:00 p. m.

Vows for the single ring ceremony were read by Rev. Carson T. Howes, pastor of the Pahokee First Methodist Church, as the couple stood beneath a wedding arch which was flanked by baskets of white gladioli and snapdragons against a background of palms. The lattice work of the arch was entwined with fern and spring flowers.

The ceremony was preceded by a program of recorded nuptial organ music.

The bride, given in marriage by James W. Vann, wore an afternoon dress of blue with white accessories, an off-the-face hat trimmed with blue flowers and a corsage of white flowers.

Miss Elizabeth Van Steenberg of Miami was maid of honor and Manning I. Keen of Pahokee was best man.

Following the ceremony a reception was held in the garden of the Vann home with Mrs. James W. Vann, Mrs. J. C. Shoepel and Mrs. Arthur Larrimore acting as hostesses.

After the reception Mr. and Mrs.

Jensen left on a 10-day wedding trip following which they will be at their home 111 SE Second Ave., Pahokee.

Mrs. Armstrong Given Birthday Party

Mrs. Jack Phillips, Mrs. Peter Chiviges and Mrs. George Ramey entertained Tuesday night at the home of Mrs. L. W. Armstrong with a surprise party honoring Mrs. Armstrong on her birthday anniversary.

Bouquets of spring flowers were

used to decorate the living room of the Armstrong home. Games were enjoyed and prizes were won by Mrs. O. B. McClure and Mrs. Armstrong. Many lovely gifts were received by the honoree.

Refreshments of ice cream cake, mints and coffee were served by the hostesses. Invited guests were Mrs. Pauline Rice, Mrs. Wiley Tillis, Mrs. R. J. Schroder, Mrs. Myers Fountain, Mrs. E. M. Meredith, Mrs. O. B. McClure, Mrs. R. J. Simonson, Mrs. C. T. Howes, Mrs. C. A. Shive, Mrs. Frank Friend, Mrs. William McClenithan, Mrs. R. L. Brooks, Mrs. Fanny Brooks,

Mrs. Duncan Padgett, Mrs. I. W. Weeks, Mrs. Ruth Hatten, Mrs. Griscorn Johnson, Mrs. Carmen Salvatore, Sr., and Mrs. H. C. Graham.

Dr. and Mrs. Wilburn C. Young and children left Tuesday for a visit with her parents, Mr. and Mrs. Mitchell, in Aberdeen, Md. They plan to return home on May 1.

Mr. and Mrs. Peter Chiviges had as guests last weekend Carl Larson of Detroit, Mich., and Mike Mindio of Indiana.

18 Counties To Benefit From State Water Control Program

CLEWISTON—Eighteen Florida counties will be benefited by the proposed \$208,000,000 state water control program to the amount of more than \$24,500,000 annually, following completion of the program. As a result, the entire state will benefit. The plan will bring to the state additional tourist revenue, a higher tax yield from a section which already produces about half of Florida's income, and will boost Florida's agriculture and cattle industry.

New lands made productive south of Lake Okechobee will make productive an estimated 55,000 acres suitable for rangeland, a strong fiber substance which has possibilities as a textile material and some 20,000 more acres suitable for sugar cane.

One of the greatest sugar-growing areas in the world is located south of Lake Okechobee. The U. S. Sugar Corporation has its headquarters here and is one of the biggest sugar operations in the world. The sugar industry will be one of the beneficiaries of the proposed water-control program.

Bankers' Association Meet In Miami

MIAMI—Florida Bankers' Association held their annual sessions here early this week. Mayor Robert Floyd made the address of welcome.

Speakers on the program were president J. D. Camp, of Fort Lauderdale; assistant secretary of the treasury William McChesney Martin; University of Miami president Bowman F. Ashe; State Comptroller Clarence M. Gay; J. H. Allen, vice-president of the St. Regis Paper Company of New York and Pensacola, and A. A. McKethan, Brooksville, American Bankers' Association vice-president for Florida. The convention closed with a banquet Tuesday night.

Salt Water Fish To Be Give Attention

ST. PETERSBURG—A unified program for the preparation of legislation on salt water fish conservation to be presented to the Legislature at Tallahassee, was discussed at a recent all-day meeting of salt water fishing interests here. The meeting was arranged by Arthur H. Todd of the Florida Brotherhood of Fishermen, in collaboration with Ralph G. Cooksey of the Florida Wildlife Federation and L. C. Yeomans of the Florida Commercial Fisheries Association, which is an association of commercial fish dealers.

The purpose of the meetings was to bring the largest organized groups of interested parties together in an attempt to reconcile differences of opinion and present a unified program. Wendell C. Heaton, attorney, acted as chairman of the meeting with F. G. Walton Smith, of the Marine Laboratory, University of Miami, also acting as chairman during part of the meeting.

The Florida Wildlife Federation's proposal to establish a Salt Water Fish Commission of five commissioners was read in detail by George A. Speer and Ralph Cooksey asked that this plan be approved by all three groups. After considerable discussion it was indicated that the Florida Brotherhood of Fishermen and the Florida Wildlife Federation will stand together for the purpose of bringing about conservation of salt water resources.

Need for sanitary, vermin-proof materials has greatly increased the use of clay tile for kitchen floors and walls in restaurants.

Members of the Canal Point Baptist Girls Auxiliary enjoyed an Easter egg hunt and party on the government dike Tuesday afternoon. Mrs. Elmo Scoggin was in charge of arrangements.

Cinematic Chatter

By Malcolm Millar

For the kind of action that will have you hanging right on to the edge of your seat, I don't hesitate to recommend "Strike it Rich" to you as your coming Sunday-Monday show at the Prince Theatre.

The three stars in the piece are Rod Cameron, Bonita Granville and Don Castle. But there is a large cast of featured players, and all of them turn in actionated performances, and with this team work the film becomes atomic in spots, so tense are the situations, and so fast the action.

This is a "wild cat" oil story, and to my notion it is spotted with faster and more furious action than the famous "Boomtown" of bygone days. For one thing there is a fight in the closing frames of the picture, that takes place right in a pool of oil, beside a derrick. That fight beats anything I've seen in a long time.

At any rate, let me urge you to see this film of action, and assure you, you will not go wrong if you sit it out.

See you at the movies—Mal.

Citrus Mutual Name Advisory Committee

LAKELAND — Florida Citrus Mutual directors have adopted a statement clarifying and emphasizing the organization's policy of staying clear of any citrus legislative or political contest. In other action, the directors named an advisory committee to aid them on aspects of operation and agreed to have a series of conference with economic and technical experts and practical citrus men to help draw up a program of operation for the rest of this season and next season.

The statement adopted by the directors follows in part: "Because of the controversy over proposed citrus legislation, Mutual reminds its members that under the Orlando compromise plan adopted January 7, and unanimously approved at the first membership meeting at Lakeland, March 25, Mutual is pledged to have no part in this legislative contest."

"This agreement will be faithfully fulfilled."

Members and alternates of the advisory committee named are as follows: J. M. Ingram, Tampa, and H. G. Barnett, Plant City, District 1; J. B. Prevatt, Tavares, and G. E. Hurlburt, Mt. Dora, District 2;

Randall Chase, and Ira E. Southard, both of Sanford, District 2; Phil Peters and R. D. Keene, both of Winter Garden, District 4; J. R. Bynum, Titusville, and L. S. Andrews, Cocoa, District 5; H. M. Sorrells, Arcadia, and A. Z. Oliff, Wauchula, District 6; W. C. Pedersen, Waverly, and Charles A. Stewart, Auburndale, District 7.

Can Company Acquired More Land

TAMPA — The American Can Company has acquired an additional 15 acres of land adjacent to the site of its present plant. First Avenue and Twenty-Second street, C. E. Cummings, plant manager, has announced.

The newly purchased property is on the South side of the plant, from which it is separated by Pacheco Drive. The road previously was deeded to the city by the American Can Company.

While American Can has no immediate plans for building on the additional acreage, Cummings said, acquisition of the property was made at this time to insure the necessary acreage when future expansion of facilities is undertaken.

The purchase of the property, plus the planned expansion of pur-

facilities within the present plant, is a definite indication of the company's confidence in the continued growth of the food canning industry in Florida," Cummings said. "It also points to our belief in Tampa as an increasingly important center of that industry."

Personal

Mrs. Seth W. Roberts has returned home from St. Petersburg where she attended a lodge convention Sunday through Tuesday.

Mr. and Mrs. Robert O. Lampi and children are visiting her parents, Mr. and Mrs. C. B. Williamson, in Tampa and other relatives in Palm Harbor this weekend.

Mrs. Mary Tanner of Mountain City, Tenn., arrived Wednesday for a visit with her brother-in-law, and sister, Mr. and Mrs. Paul Ridgely, in Pahokee.

Mr. and Mrs. James W. Vann have as guests her mother, Mrs. A. G. Holmes, and granddaughter, Carolyn Sellers, of Council, N. C.

Mr. and Mrs. I. S. Guthrie are visiting relatives and friends in Georgia this week.

COBURN HARDWARE
CANAL POINT, FLA.

Mrs. Duke Honored With Stork Shower

Mrs. Ed Spooner and Mrs. Calvin Spooner entertained at the latter's home Monday night with a stork shower and party in compliment to Mrs. Perry Duke.

Bouquets of snapdragons, and spring flowers were used for decorations. Bingo was played and prizes were won by Mrs. Lester Hand, Mrs. A. Gray, Mrs. Sam McKinstry, Jr., Mrs. Leonard Dobrow, Mrs. Adaline Stuckey, Mrs. Duncan Padgett and Mrs. Corley Watson.

Other guests included Mrs. Dan Padgett, Mrs. Julius Moon, Mrs. Jack Chastain, Mrs. Maurice Carlton, Mrs. Maribelle Rawls, Mrs. W. A. Cross Sr., Mrs. George Lance, Mrs. Gene Butler, Mrs. W. A. Cross, Jr., Mrs. Melvin Spooner, Mrs. G. H. Tucker, Sr., Mrs. Raymond Christian, Mrs. Doss Tabb, Mrs. Lewis Friend, Mrs. Rupert Mock, Mrs. Frank Rozelle, Mrs. P. M. Cate, Jr., Mrs. J. A. Dulany, Mrs. O. D. Carpenter, Mrs. O. R. Blech, Mrs. Jack Phillips, Mrs. Dorsey Pugh, Mrs. J. T. Boynton, Mrs. A. J. Ludeman, Mrs. Roland Todd, Mrs. Charles Moran, Mrs. Leon Spooner and Mrs. James H. Wilson.

GUEST SOLOIST

Miss Barbara VanWyck will be guest soloist at the 11 o'clock services Sunday Morning at the Missionary Baptist Church, Canal Point.

A group of Pahokee Brownies enjoyed an outdoor party and picnic near Port Mayaca Saturday. They were accompanied by Mrs. H. L. Carter, Mrs. W. H. Rogers and Mrs. James H. Wilson, Brownie leaders.

on which will be read in Churches of Christ, Scientist, throughout the world on Sunday, April 17.

The Golden Text is: "John seeth Jesus coming unto him, and saith: Behold the Lamb of God, which taketh away the sin of the world" (John 1:29).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, Looking unto Jesus the author and finisher of our faith;" (Hebrews 12:1, 2 to 3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "If Truth is overcoming error in your daily walk and conversation, you can finally say, 'I have fought a good fight . . . I have kept the faith,' because you are a better man. This is having our part in the at-one-ment with Truth and Love" (21:1-5).

Pahokee Methodist Church

HOWES' TEXT

The First Methodist Church of Pahokee announce their observance of Easter will begin with the Community Easter Sun-Rise Service at 6:00 a. m. The Ministers of the Community will participate in this service with Dr. H. H. Shirley bringing the message.

A program at the Sunday School hour is being arranged under the direction of Mrs. G. B. Ramey and Mrs. Arch Blakey with the workers and teachers of the Children's Division assisting.

The Pastor, Rev. C. T. Howes, will use as his sermon subject at 11:00 a. m. "Easter Joy, and Duty." The Baptism of Babies and the Reception of new members into the church will also feature this service. The pastor will use as the Evening Worship message the subject: "Walking along the Emmaus Way" and again the congregation will gather under the inspiration of the Illuminated Cross for the period of worship and silence. Many are the words of sincere approval and appreciation for this phase of the Evening Service. The Youth Choir will sing under the direction of R. O. Lampi.

TRAVEL HEAVY ON TOBACCO TRAIL

JESUP, GA.—The State Highway Department in cooperation with the Tourist Committee of the Chamber of Commerce has just completed a Metropolitan Area Survey of vehicles entering Jesup on U. S. 301. The Tobacco Trail. The official tally for 24 hours was 2,968. The Tourist Committee chairman estimates that if traffic on U. S. 341 and Georgia 38 were included in the count the tally would reach 4,000 on some days. A committee member reported that this reveals a 4 to 1 increase over last year's Tobacco Trail record. The Tobacco Trail is the shortest, safest and quickest route from Maine to Florida.

From where I sit ... by Joe Marsh

There'll Always Be a "Gawker"

"Harry the Hermit," as he's called, came into town last week and, as usual, caused quite a stir. He looks like a cross between Santa Claus and Daniel Boone.

We had a friendly glass of beer together and I asked him, "Don't you ever get annoyed at the way some people laugh and stare as you go by?" "Shucks no," Harry says. "Only while they're laughin' at me, I'm feelin' a mite sorry for them. Imagine—folks so ungrateful they can't see I'm really just the same as they are underneath."

From where I sit, Harry's a lot more "civilized" than the people who make fun of him. He's contented, lives the way he believes is right without harming anyone—and what's more, he's tolerant of others whose tastes in living are different from his.

Maybe we all don't look the same, or act the same, or eat or drink the same, but in a free country, why should we?

FLORIDA POWER & LIGHT COMPANY

SOONER or LATER- MR. JAYWALKER GETS A RIDE!

You have heard of him before, read about him in the obituaries and cursed him when driving. Mr. Jaywalker is the habitually irresponsible pedestrian who accounted for 34% of Florida's traffic fatalities in *one* year and 195 of his kind were given a ride to the morgue. Throughout the nation 11,200 pedestrians lost their lives last year. Are you startled?

If you have any jaywalking tendencies in your make up eliminate them before they eliminate you. Danger to life and limb is ever present when you venture into traffic. Yet it requires only the simplest application of a little common sense and patience to quit being a jaywalker. Walk and cross streets and highways where you should — when you should. Don't pit your body against speeding metal; it won't win.

Living is a great adventure. Why cut it short before your time? Walk safely and live longer.

Mr. Motorist—

Prepared by the Associated Dailies of Florida, the Florida Press Association, and the National Conservation Bureau, as a public service.

Glades Rank 2nd In State-Wide Electric Service System

Glades residence rank high in the use of electric service, according to the results of a Florida Power & Light Company survey for the year 1948, announced by P. P. deMoya, manager, yesterday. This district ranks second in the company's state-wide system.

"The figures for 1948, just compiled, reveal this interesting information, which reflects favorably on our communities," deMoya declared. "The use of electricity in homes is an index of the standard of living in a community and the high use here results from a greater use of modern electrical conveniences. Then too, while prices on practically everything soared skyward, the average cost of residential electricity was held at a favorable level and is now about the same as it was before the war."

In 1948, figures show that residential customers in the Glades District, on the average, used 2632 kilowatt hours compared with only 1795 in 1941, an increase of 46 percent. This is also 31 percent greater than the 2,005 kilowatt hour average in all the territory served

by Florida Power & Light Company.

The Glades District includes Indian towns, and around the Lake to Clewiston.

"In terms of better living," deMoya said, "this means homes are more comfortable in summer because more fans and air conditioners are used; more electricity is used for laundering, cleaning and other household chores making homework lighter."

Actually in 1948 each kilowatt hour of electricity, on the average, did more work than it did in 1941 because modern electrical appliances are more efficient. This is particularly true of electric ranges and many motor-operated appliances.

While U. S. Figures for 1948 are not yet available, the Company's statewide average use is expected to top the average for the nation by a wide margin. For the year 1947 the Company's customers used an average of 1,885 KWH, over 30 percent higher than the national average of 1,438 KWH.

Mrs. B. R. Herring has returned to Fort Mead after a 10-day visit with her brother-in-law and sister, Mr. and Mrs. Carmen Salvatore, Sr., in Pahokee.

City Clerk W. P. Walker is visiting relatives in Miami this weekend.

Christine Meeks Has Birthday Party

A group of friends gathered at the home of Christine Meeks on Belle Glade Road Tuesday evening to help her celebrate her eighteenth birthday anniversary.

Games were enjoyed and refreshments of ice cream and cake were served to Teddy Bob Johnson, Rebecca Crews, Frank Brady, Mary Funderburk, Lois Sullivan, Farris Kincaid, Bonnie Meeks, Alfred Meeks, Johnny Boyd, Tulla Makos, Carvin Herring and Frances Meeks.

C. P. Girl Scouts Entertain Brownies

Members of the Canal Point Girl Scout Troop One entertained at the school Friday afternoon with a pre-Easter party for the Canal Point Brownies.

The scouts used a color scheme of orchid, green and yellow in the making of special place cards, napkins and Easter decorations for the affair. The decorative centerpiece for the refreshments table consisted of a bunny resting in a cluster of snapdragons on a carpet of grass.

Refreshments of punch and homemade cookies were served and the scouts presented each of the

Brownies with a miniautro basket of eggs made by the troop. Mrs. Elmo Scoggin and Mrs. John S. Harrington, Jr., troop leaders, were also present at the party.

Dean Kindy Is guest Speaker At WMU

Dean Kindy, recreational director at the Pahokee Housing Authority Camp, was guest speaker at a meeting of the Grace Jernigan Circle, First Baptist WMU, at the home of Mrs. Thomas Baldwin Tuesday night. Introduced by Mrs. Baldwin, Mr. Kindy, who is a representative of the Brethren's Service Committee of the Church of the Brethren, told of the work he is doing in organizing and directing recreational and religious pro-

grams for migrant labor families at the camp.

Mrs. W. M. DuBose presided at the meeting in the absence of the president, Mrs. H. C. Graham. Mrs. D. W. Young presented the devotional program.

Joy Padgett, Milton Carpenter and Walter Kautz are among the University of Florida students who arrived this week to spend the Easter holidays here with their parents.

Mr. and Mrs. Talton Joyce of Vero Beach visited his mother, Mrs. Maxine Joyce, and other relatives here this week.

Dwight Geiger spent the past weekend in West Palm Beach visiting Eddie Hodges.

HOW MODERN MIRACLE OF DESIGN MAKES THE NEW DODGE DIFFERENT!

Different!

LONGER on the inside
... SHORTER outside!

Different!

WIDER on the inside
... NARROWER outside!

Different!

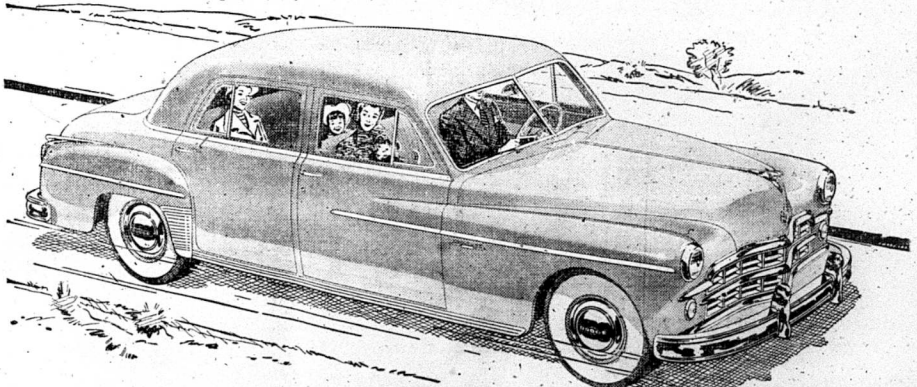

HIGHER on the inside
... LOWER outside!

WHO SAYS all cars are alike? Just look at the new Dodge, the car that dares to be different! Different in the sleek lines that flow from true functional styling. Different inside—and out! Inside, this new Dodge is bigger three ways—longer, wider, higher! But outside it is actually shorter, narrower, lower. No bulky lines to balk you when parking or garaging your new Dodge. Here is a miracle of design that puts your comfort first. Wide

opening doors that make it easy to get in and out... inside all the head room, leg room, elbow room you could ask for.

Topping all, is the flashing performance of the famous Dodge "Get-Away" Engine... the velvety smoothness of Dodge All-Fluid Drive.

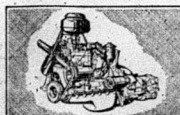

Before you decide on any car, see how much more Dodge gives for your money today!

FENDERS are bolted on... easy on your pocketbook to repair, or even replace, if dented or damaged.

LUGGAGE COMPARTMENT... big as all outdoors. Spring-balanced lid raises and lowers at fingertip touch.

GET-AWAY ENGINE... high-compression engineered for more power... faster pickup... greater economy.
